

VA Appraisal Transfer Requirements

To transfer a VA case number into PRMG's name, the SAR UW will need to complete the transfer through the VA Portal or directly through the VA Regional Loan Center (VA RLC). The individual requesting the transfer will need to provide the following PRMG information to the original lender:

- PRMG VA Lender ID #: 9001150000
- New Lender Name: Paramount Residential Mortgage Group
- PRMG Address: 1265 Corona Point Court, Corona CA92879

For VA case numbers transfers but appraisal is not completed:

Please place a new order in Appraisal Scope but advise there is already an existing VA Case Number and provide it for the appraisals department reference. We will need to contact the VA RLC to reactive the order in the VA portal.

For VA case numbers/appraisals that are already completed:

Please forward appraisal and related documents to UW and related parties.
