

"Built by Originators for Originators"

For homebuyers, PRMG +Plus is included as a feature of the mortgage giving them the security that their down payment will be protected against market prices giving them the flexibility to pick up and move whenever they need. Additionally, PRMG +Plus is a win/win for brokers, realtors and builders. PRMG +Plus loans add value to listings or new builds improving buyer experience.

Available for conventional, FHA and VA owner occupied purchases. The premium is paid via an LLPA (priced through FT360/OB). Get more information about the product at the following links:
